## Insurance

Before travelling with Blue-Roads Touring, it is compulsory for all guests to take out comprehensive travel insurance. Please ensure your insurance covers medical expenses (including repatriation), cancellation cover, loss or damage to baggage and personal effects, money and personal liability.

We recommend you carry your insurance details with you at all times. You may be asked to provide details of your medical insurance or a payment guarantee in some countries before medical assistance can be provided.

For more information, please see our FAQ page: [www.blueroadstouring.com/faqs](http://www.blueroadstouring.com/faqs)

## Passports and visas

Please ensure your passport is valid for at least six months after the last day of your tour.

Some countries will refuse entry if you do not have at least six months validity remaining on your passport after your departure date. Depending on your nationality, you may require a visa to enter certain countries.

It is your responsibility to obtain visas prior to your tour's departure. To determine which visas you'll need, you can consult either your own government's website or the government websites of the countries in which you will be travelling.

PLEASE NOTE: Some visas can take up to six weeks to acquire, so don't leave it until the last minute. Also, bear in mind that the validity of a visa often runs from its date of issue rather than the date of entry into the country. Please check with the appropriate embassy/embassies prior to departure as requirements do change periodically.

We advise you to either carry a photocopy of your passport (and visa, if applicable) with you while abroad, or to ensure that you leave a copy with relatives back at home. This will enable the local embassy or high commission

to arrange a replacement if the original should be lost or stolen. If you do take copies with you on your tour, please ensure that you keep these separate from your original documents.

## Medication and mobility

Whilst on your tour, we want you to have the smoothest journey possible which requires some mobility conditions:

- You must be fit enough to get on and off the vehicle on a regular basis, and to walk around towns and villages or to attractions.
- You must be able to walk up and down stairs and use a shower over the bath.

Please note that, unfortunately, we are unable to accommodate mobility scooter or wheelchair users as we frequently stay in traditional-style hotels and the majority do not have lifts or ground-floor rooms.

If you take medicine for certain conditions, such as diabetes or heart problems, please carry it with you at all times.

Please declare any medical conditions you may have in advance of your tour. If you are in any doubt as to whether our tours are suitable for you, please contact our friendly Customer Service team:

## Mental health and wellbeing

Culture shock, homesickness and periods of feeling down happen regardless of age. Be rest assured that if you're feeling low, your Tour Leader and Driver will do their utmost to make you smile.

Measures you can take to look after your mental health and wellbeing while on the road with us are:

- Call loved ones. Hearing a familiar voice whilst in an unfamiliar destination can help ground you and remind you you're not alone.
- Eat well. Nobody feels their best when they're hungry. There are plenty of nutritious culinary delights to be savoured along the road!
- Integrate with your fellow guests. The more you socialise with the group, the less likely you'll feel homesick.

## Transport

We travel in premium mini-coaches equipped with comfortable seats, air conditioning and large windows for enjoying the view.

With far more flexibility than a standard-size coach, we're able to take the scenic route – winding through beautiful countryside to the heart of tiny villages and coastal towns.
