Mental health and wellbeing

Culture shock, homesickness and periods of feeling down happen regardless of age. Be rest assured that if you're feeling low, your Tour Leader and Driver will do their utmost to make you smile.

Measures you can take to look after your mental health and wellbeing while on the road with us are:

- Call loved ones. Hearing a familiar voice whilst in an unfamiliar destination can help ground you and remind you you're not alone.
- Eat well. Nobody feels their best when they're hungry. There are plenty of nutritious culinary delights to be savoured along the road!
- Integrate with your fellow guests. The more you socialise with the group, the less likely you'll feel homesick.

Transport

We travel in premium mini-coaches equipped with comfortable seats, air conditioning and large windows for enjoying the view.

With far more flexibility than a standard-size coach, we're able to take the scenic route – winding through beautiful countryside to the heart of tiny villages and coastal towns.
